

Young farmers in the Hungarian Rural Development Programme 2014-2020

**Conference on Young Farmers and Family Farming
ASSOCIATION OF SLOVAK YOUNG FARMERS**

**Dávid Mezei dr.
Deputy state secretary
PRIME MINISTER'S OFFICE**

Hokovce – Egeg, Slovakia 28.11.2014.

Share of V4 in EU Agriculture

CAP I – Support for Young Farmers

Obligatory: max. 2% of the direct payment national envelope.

Conditions:

- Young farmer not older than 40, who:
 - begins his/her agricultural activity in 2015, or
 - has begun his/her agricultural activity not earlier than 5 years.
- Up to 5 years.
- Upper ceiling of support: **90 ha**.
- Amount of payment: 25% of the average amount of direct payment (equals to ~ **66 €/ha**).

CAP II: Main Objectives of the New Rural Development Programme

Job creation

- Protecting existing jobs and creating new jobs in rural areas

Promoting small- and medium sized (family) farmers

- Employing more than big farms

Sustainability, combating climate change

- Increasing energy efficiency, promoting the use of renewable energy resources

Main measures of the New Rural Development Programme

- Supporting investment in labour-intensive sectors: **horticulture, animal husbandry;**
- Increasing the share of higher added value products: **food processing industry, local markets;**
- **Increasing production safety** (irrigation, investment in risk management);
- **Developing rural infrastructure** and promoting the use of locally produced raw material (local roads, local raw material used in public catering, increasing energy efficiency of public buildings).

Allocation of funds

Investment measures
